TAFE Plus Statement in Essential Maths for Higher Education

Details

TAFE NSW Course No: 29330

Description

This program will be delivered in partnership with the University of New South Wales and covers the contents of the HSC 2 unit Mathematics course. It is suitable for students who want to improve their knowledge in mathematics or are having difficulty with mathematics in their first year of their chosen university course.

Topics covered:
Week 1: Basic Algebra
Week 2: Equations
Week 3: Functions and Trigonometry
Week 4: Log Functions and Limits
Week 5: Rules for Differentiation
Week 6: Integration

Nominal hours: 24

TAFE NSW fee information

The TAFE NSW fee is based on the level of qualification, however other fee arrangements apply for commercial courses (TAFE PLUS), international students, temporary visa holders, Australian Aboriginal and Torres Strait Islander students, students with a disability, apprentices, trainees and government benefit/allowance recipients. Other course related costs may apply.

If your course runs for more than one semester you may have the option to pay your TAFE NSW fee in two equal half-yearly payments – the first payment when you enrol.

For more information on TAFE NSW fees, fee exemptions, fee concessions and other fee arrangements that may apply, contact your local campus.

Course Locations

The course offering status below is current at the time of viewing. A course offering status may change at any time based on demand or additional places becoming available.

*Key to Attendance modes*

**Full Time**- Enrolments with 540 or more total Annual Student Hours (ASH) in a given course. This represents a weekly study attendance of between 15 and 30 hours.

Note: For students to be eligible for Centrelink benefits, the full time study load will be calculated on 16 hours per week. To obtain a Travel Concession pass, a full time student load of 20 hours per week will be required.

**Flexible Delivery**- This attendance allows for learning and assessment in a variety of modes. This may include on campus, off campus, distance learning, online learning and combinations of any of these.

**Part Time Day**- A weekly daytime study attendance of less than 12 hours. This study pattern may include attendance on weekends.

**Part Time Evening**- A weekly study attendance of less than 12 hours. This study pattern may include classes starting from midday through to the evening.

**Key to Status**

Available- There may be places available in this course offering. Contact the campus.

Proposed- This course offering will run only if there are enough resources and demand. Click on 'Make an Enquiry' to register your interest.

Full- This course offering is running, but there are no places available.

Withdrawn- All TAFE NSW courses run only if there are enough resources or demand. This course offering has been withdrawn at the location and in the specified attendance mode.

***Key to Info Session***

Y- For this campus you may have to attend an information session prior to enrolment. Contact the campus for more details.
