

What is this service?
The Statistics Walk-in Consultation service is designed to support undergraduate students taking a statistics service course.

The consultation is with a member of the Statistics academic staff, and runs Monday-Friday, in the Red Centre according to the following roster.

There is no need for an appointment - just turn up!

**Monday** 10am - 11am  Joanna Wang in RC-2070

**Tuesday** 11am - 12pm  Jakub Stoklosa in RC-3071

**Wednesday** 12pm - 1pm  Justin Wishart in RC-1030

**Thursday** 12pm - 1pm  Jake Olivier in RC-2051

**Friday** 12pm - 1pm  Diana Combe in RC-1032

This roster starts in week 2, and continues until the end of week 13, **NOT including the mid-semester break**.

*Note that consultations during the pre-exam study period will be advertised separately for individual courses.*

* Diana Combe, 3rd March 2015
