What is this service?

The Statistics Walk-in Consultation service is designed to support undergraduate students taking a statistics service course.

The consultation is with a member of the Statistics academic staff, and runs from Monday-Friday, in the Red Centre according to the following roster.

There is no need for an appointment - just turn up!

**Monday** 2pm - 3pm   Heng Lian in RC-2050

**Tuesday** 12pm - 1pm   Justin Wishart in RC-1030

**Wednesday** 12pm - 1pm   Diana Combe in RC-1032

**Thursday** 11:30am - 12:30pm   Jake Olivier in RC-2051

**Friday** 1pm - 2pm   Gery Geenens in RC-2053

This roster starts in week 2, and continues until the end of week 13, and is **NOT including the mid-semester break.**

*Note that consultations during the pre-exam study period will be advertised separately for individual courses.*
