PROGRAMME

The workshop will include presentations by professional women talking about their career paths and their use of mathematics and statistics within their work. Participants will have the chance to interact with these speakers, and with female UNSW staff and students. There will also be information sessions on topics such as university study and applying for scholarships, together with some glimpses of university mathematics.

ELIGIBILITY

Applicants must be students at an Australian High School/TAFE/College who are completing their HSC or equivalent (Years 11 and 12).

INCLUSIONS

The workshop will be free of charge. Morning/afternoon teas and lunches will be provided.

REQUESTS FOR FINANCIAL ASSISTANCE

In the case of rural or regional applicants, an application may be made for travel costs to/from UNSW SYDNEY. Please provide a statement of costs and need with your application. Travel awards will be considered separately to the application to attend the workshop.

CLOSING DATE

Places in the workshop are limited. Applications must be received by **FRIDAY 6 September 2019**. This application must be submitted together with the School Application Form.
