

Gain invaluable **INDUSTRY EXPERIENCE**

Managed by

What is it?

6 month internship opportunity available with a Co-op Program sponsor - **PwC**.

Get a head-start on your career with some industry training! Being awarded a UNSW Co-op internship is an outstanding addition to your resume and an excellent opportunity for you to gain experience prior to graduation. The successful applicant will receive:

- **\$18,200 total** (via \$698.08 fortnightly stipend + finishing bonus);
- **24-weeks of full-time** 'real-world' industry experience;
- recognition of the placement on your UNSW CCOS.

More information about the industry placement requirements can be found in the [Internship Guidelines](#).

Eligibility

Applicants must be a permanent resident or Australian citizen and a full-time student currently enrolled in **an Advanced Mathematics program** (single- or double-degree). You must have achieved a credit minimum in all core courses and overall WAM. Some industry experience is preferable. Having met the academic and experience requirements, successful applicants are largely selected on their interpersonal skills and motivation.

If offered the internship, you must be prepared to work **24 weeks full-time at the sponsor organization**. In addition to this you must:

- enrol in an internship subject*; and
- study a maximum of two subjects in Semester 2 2017, which may affect your program completion date.

*UOC awarded to this internship subject will not count towards your degree, nor attract a HECS fee, but will allow you to keep your enrolment status as a full-time student at UNSW.
