The Michael Dorrell Award in Mathematics
Value: $5000 total. Two awards available: one for a female student, one for a male
Candidates: High School leavers
Selection: The purpose of the Award is to encourage two exceptional students (one male and one female), identified as recipients of The Beautiful Mind Scholarship, to undertake study at UNSW.

Potishko Family Goldman Sachs Gives Mathematics Award - UGCA1441
Value: $5000 total. Two scholarships available: one for a female student, one for a male
Candidates: High School leavers
Applications: Refer to the UNSW Scholarships website
Selection: The purpose of this scholarship is to encourage and support a high-achieving student from a low income background. Assessed on results from the UNSW Annual School Mathematics Competition and/or other Mathematics Competitions. Applications are for students enrolling in the following degree programs and majoring in Mathematics: Bachelor of Science, Bachelor of Science (Advanced), Bachelor of Science (Advanced Mathematics), Bachelor of Science (International).
I’m pretty competitive... so it was good to get the scholarship as some recognition for my hard work in studying maths.

Dorothy Cheung, Girls Do The Maths Scholarship recipient.

I had a keen interest in maths, so the scholarship definitely encouraged me to continue to pursue that at a university level.

Joshua Lau, Michael Dorrell Award in Mathematics recipient.
